Tennis Court Rules

- The tennis courts are the property of the HHRC and are reserved for the use of club members and their guests. **Guests must be accompanied on the courts by the responsible HHRC member.**
- **The tennis courts are for tennis only**—No bikes, roller skates/blades, skate boards, etc. are allowed on the courts. Those not playing tennis are expected to remain outside the gates.
- Closing time for the tennis courts is 10:30 p.m. If the court lights are used, they must be turned off at the end of night play. (See Tennis Court Lights Instruction on the bulletin board.)
- After using the courts, members **must lock the gate** unless another member is playing and will assume responsibility for locking the gate. **The courts must remain locked when not in use.**
- Good tennis etiquette demands that all players respect the rights of others to enjoy the game, and not interfere with that enjoyment through unsportsmanlike conduct, excessive/loud noise or in any other way.
- All players must wear **tennis shoes** on the court that will not mark or damage the court surface. Dark soled athletic shoes, flip-flops, or aqua-socks are not allowed on the tennis courts.
